

Honor Code Pledge

All Faith Preparatory School students in grades 5-12 are required to sign the school's honor code pledge. In accordance with the scriptural principle of a public declaration of faith, this pledge acknowledges that Faith Preparatory School students agree to exhibit Christian character, both in school and away from it. Implicit to this pledge is an understanding that the student is willing to be held accountable to that standard in all facets of life.

THE PLEDGE:

I understand that Faith Preparatory School is a Christian school that recognizes that Jesus Christ is the son of God, that He died on a cross, and was raised from the dead three days later. I understand that Faith Preparatory believes that the Bible is the standards for all Truth and I will aim to follow Christ-like character. By attending this school, I am pledging that I am a Born Again Christian or that I am open to learning about the Word of God.

I will apply myself to my studies and am determined to give my best.

I will practice a lifestyle of good health habits and wholesome activities. I will not utilize nicotine, alcohol, drugs, vapes, or things of this nature.

I will learn to accept all school policies with a positive attitude and discourage negativity.

I will refrain from being disrespectful, irresponsible, or destructive in my attitude towards both teachers and students. I will not use profanity, offensive slang, vulgarity and foolish jesting, or fighting.

I will maintain a high personal code of honor and will not tolerate cheating, lying, or stealing in myself or in others.

I will dress in accordance with my school's dress code, and understand I am not to deviate from it.

I understand that I am to practice a Christian lifestyle at all times and that my social media is to reflect appropriate and moral standards.

I will submit myself to the leadership of Faith Preparatory School and its rules.

I agree that the Bible dictates the standards for sexual behavior. Any promiscuity, homosexuality, or other Biblically wrong sexual behaviors are forbidden and violate Faith Preparatory School's morals and standards.

I understand that following the code will require courage, boldness, consistency, conviction, diligence and genuine enthusiastic effort.

I have read and understand the contents of the Student Handbook and I am willing to meet the standards set forth in the above Honor Code Pledge.
